## STAMP FORMAT PACKS

### Vertical Format Packs

These packs are specialist products that contain stamp issues in blocks or varying formats. Sold at face value, they were available from the Philatelic Bureau and selected Post Offices. It is thought that in the majority of cases the stamps were removed and the packs discarded. This has led to there being very few complete format packs available, giving them a comparatively high market value. There is no Complete listing available – new editions are still being reported. We can offer the following at the present time – subject unsold. In most cases we only have 1 or 2 of each available. Enquiries invited for any other items:
