GB RUSHEXPRESS “AbFab” SPECIAL EDITION No. 72

This really is a very special edition for us as it was 58 years ago in 1958 when Rushstamps was established and in 1967 when we first attended STAMPEX at the Central Hall and also the recent New York Show (World Stamp Show – NY2016) was our 100th exhibition in the USA.

How time has flown by and we have witnessed all the ups and downs and today the market is still very active, evidenced by the continued flow of orders and enquiries we receive daily. So now is the time for us to make some really outstanding offers with this “AbFab” edition which

has taken us three months to prepare, having carefully reviewed our stock levels to enable us to revise prices as appropriate. *Allan M Grant*
