| In 1972 when the UK 'went decimal' Tristan duly overprinted their Definitive stamps in the new currency. However their National Savings stamp was also overprinted due to the new currency and this had been overlooked by many dealers and collectors. We understand that only 2,710 stamps were overprinted making it the scarcest of all Tristan stamps. It was originally sold at £5 by a major New Issue dealer, currently catalogued as SG F2 at £3.00, we have been fortunate enough to purchase just 100 copies from an old time dealers stock. Normally £2.20, now only..... |               | £1.75 £1.50 |
