

BOOKLETS OF THE WORLD

An area gaining in popularity now that the British Commonwealth Editions are included in the SG Part 1 and Sectional Catalogues. This will ensure an added demand and we have now revised our listing and reviewed all of our prices. Many of these only exist in thousands rather than ten thousands and include unusual combinations of Se-Tennats, Changed Perfs, Self-Adhesives, etc. Many of the Prestige size Booklets contain additional panes with historical information with full colour photographs. Do not wait for prices to increase – just compare and save!
