**THE ORIGINAL ALICE IN WONDERLAND POSTAGE STAMP CASE BY LEWIS CARROLL**

Everyone has heard of LEWIS CARROLL, his Alice in Wonderland writings are well known all over the world. But did you know of his very unusual link with the stamp hobby?

In 1890, a small book measuring 3ins x 4ins was printed - and printed well for those days. It was entitled 'Eight or Nine Words about Letter Writing'! This consisted of 40 pages devoted to four witty chapters on writing a letter. The author? LEWIS CARROLL!

To complement this little book, a 'POSTAGE STAMP CASE' was also prepared. It would accommodate 12 stamps in special pockets which indicated a range of values from ½d to 1/-. The STAMP CASE was supplied in a special SLIP CASE which depicts ALICE holding the Duchess' crying baby. With the actual STAMP CASE is removed, it transforms into Alice holding a contented pig!

To add further interest, on the reverse of the STAMP CASE and the SLIP CASE is the infamous CHESHIRE CAT in all its glory - and then - disappearing! The quite ambitious idea of Lewis Carroll was produced to sell over one hundred years ago for just ONE SHILLING!

We are delighted to have been able to acquire a limited number which are NOT grubby - which ARE complete with Booklet and Stamp Case AND the Slip Case - all in ORIGINAL CONDITION.

This really is a quite incredible opportunity to complement the hobby of stamp collecting with a real piece of Victorian history.

**COMPLETE as described above complete, per unit.....£195.00**
