

AUTOMOBILES

It is now over 28 years since the first Leaders of the World Cars & Trains issued in Se-tenant pairs appeared on the market. Stocks of these stamps have gradually been absorbed and certain selected Sets are now difficult to locate, more especially the later editions from the St. Vincent and Tuvalu Group which changed agency in late 1986! We have now reviewed all prices in line with availability and demand and in many cases they are priced at face value or less. Now is the time to either complete or start this fascinating Collection of superbly printed stamps. **ALL IMPERFS NOW ONLY £5.00!**
